2017 SUBJECT INDEX

FEATURES

Clinical Innovations
A Partnership for Patients Initiative: Redesigning a Medical-Surgical Unit’s Discharge Process to Reduce Readmissions, 7
Saving Lives and Reducing Harm: A CAUTI Reduction Program, 134
A Multihospital Survey on Effective Interventions to Prevent Hospital Falls in Adults, 304

Education
Addressing the Cost, Value, and Student Debt in Nursing Education, 7
A Case Example of a Transitional Education Program for Internationally Educated Nurses from Mexico, 30

Leadership
American Academy of Ambulatory Care Nursing Position Paper: The Role of the Registered Nurse in Ambulatory Care, 39
Healthcare Board Competency Survey for Nurses: Assessing Board Readiness, 295

Nurse Practitioners/Advanced Practice
Does Contracting with Managed Care Organizations Remain a Barrier for Nurse Practitioners?, 57
Policies that Restrict Full Utilization of Nurse Practitioners in Primary Care, 70

Nurse Practitioner Leadership in Promoting Access to Rural Primary Care, 119
Advanced Practice Nurses: Developing a Business Plan for an Independent Ambulatory Clinical Practice, 126

New Graduates
Succession Planning: Creating a Case for Hiring New Graduates, 64
A Multisite Study on a New Graduate Registered Nurse Transition to Practice Program: Return on Investment, 110
Transition to Practice Programs: Effective Solutions to Achieving Strategic Staffing in Today’s Healthcare Systems, 178

Workforce/Staffing
Program Evaluation of a Nursing Workforce Intervention: The Maryland Nurse Support Program II, 14
The Impact of Economic Recession on Registered Nurse Workforce Supply in California, 21
Predictive Staffing Simulation Model Methodology, 161
A Wide-Angle View of Global Nursing Workforce and Migration, 170
Transition to Practice Programs: Effective Solutions to Achieving Strategic Staffing in Today’s Healthcare Systems, 178
Interoperable Acuity-Based Staffing Solutions: Lessons Learned from a Multi-Hospital System, 184
The Impact of Lean Six Sigma Methodology on Patient Scheduling, 189
Starting the Shift Out Right: The Electronic eAssignment Sheet Using Clinical Decision Support in a Quality Improvement Project, 194
A Legacy of Improving Staffing and Scheduling: An Interview with Carol Ann Cavouras, 201
State of the Registered Nurse Workforce as a New Era of Health Reform Emerges, 229
Systematic Review of Turnover/Retention and Staff Perception of Staffing and Resource Adequacy Related to Staffing, 239
Predictors of Nurses’ Intent to Continue Working at Their Current Hospital, 259
Improving Nursing Workforce Forecasts: Comparative Analysis of the Cohort Supply Model and the Health Workforce Simulation Model, 283
Breaking Down Silos: An Interview with the Health Workforce Forecasting Team, 314

DEPARTMENTS

Claiming the Corner Office
Social Media as a Leadership Tool for Nurse Executives, 272

Editorial
Speaking Truth to Power: Implications for Nursing’s Values and Voice, 54
Building a Culture of Health Centered on the Patient and Family, 109
Investing in Nursing: Improving Health, Gender Equality, and Economic Growth, 158
The Problem with Insurance Exchanges and the Need to Provide Health Coverage for the Working Poor, 226
Family Caregivers: Endless Love and Heartfelt Appreciation, 281

Guest Editorial
The Economics of Palliative Care as a Human Right: A Global Action Item, 5

Data, Science, & Nursing Value
Time-Referenced Data, 150

Excellence & Evidence in Nurse Staffing
Nursing Overtime: Should it Be Regulated?, 213

Impacts & Innovations
Enhanced RN Role in Behavioral Health Care: An Untapped Resource, 88
From Single-Payer to All-Payer: Why Vermont’s Reform Efforts Matter to U.S. Nurses and Their Patients, 100
The Central Staffing Office Intensive Care Nurse Residency Program: A Pilot Program, 147
Impact of Nursing Schedule Change on Therapeutic Apheresis Service, 218
Enhancing the New Nurse Experience: Creation of a New Employee Training Unit, 278

Information Technology for Health Promotion & Care Delivery
Improving Health Promotion and Delivery Systems Through Information Technology, 145
Innovative Information Technology Solutions: Addressing Current and Emerging Nurse Shortages and Staffing Challenges Worldwide, 211

Health Policy and Politics
Determining Value in the U.S. Healthcare System, 142

Letters to the Editor
Valid Staffing Models Needed the Value of Mentorship, 49
Paging Nurses’ Value: Answer the Call, Pull Up a Chair, and Join the Conversation, 238

Perspectives in Ambulatory Care
Leveraging National Reports to Transform Ambulatory Care Practice, 96
Transition to Practice – Part 1
Implementing the AAACN Ambulatory Care Nurse Residency Program: The Importance of a Structural Framework, 267
Transition to Practice – Part 2
Implementing an Ambulatory Care Registered Nurse Residency Program: Competency — It’s Not Just a Task, 317
Registered Nurses Make a Difference With Ambulatory Care Nurse-Sensitive Indicators, 205

Work/Life
Best Practices in Healthcare Management Begin with Self, 152
